Dear Mr. Watson:

This is to advise you that Governor Hunt has appointed Mr. David P. Will you kindly take this matter up with your Governor recommending appointment of commissioners for the State of Utah, and notify this Office concerning who is appointed.

Also I will be very pleased to have you suggest a date and place for a meeting to start these negotiations as it is a very important matter, which should be given consideration at the earliest possible date.

With all good wishes, I am

Very truly yours,
